### **AACA Website Updates = Less Mail in Your Inbox**

We can all relate to scrolling through more emails than we can open. With the new user friendly updates to our website, we will send less mail but offer our members more access to information.

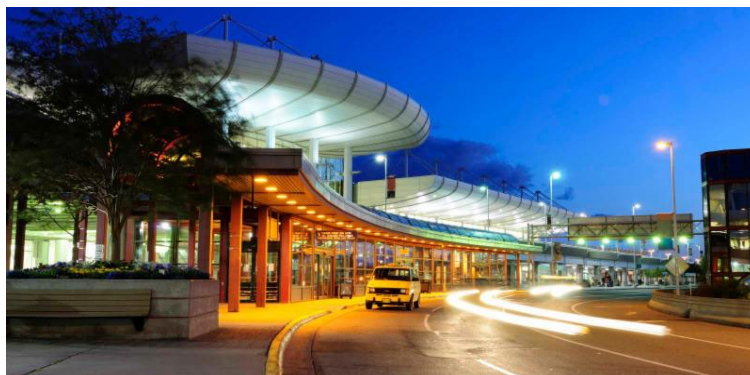

NOW on the **home page** you can keep up to date on our calendar of events, as well as our blog highlighting the issues that affect our membership.

Facebook and Twitter will also be featured on the homepage, watch for the exciting social media posts coming up as the annual convention nears.

### 2019 AACA Annual Convention & Tradeshow

**Live Auction Donations:**

**El Capitan Lodge - 3 nights at one of Alaska's Premier Fishing Lodge**

**Alaska Airlines 2-RT Tickets**

**National Ugly Christmas Sweater Day** this year falls on Dec. 21. Alaska Airlines will celebrate by allowing passengers who wear a holiday sweater - ugly or festive - go to the head of the boarding line. That's right, your seat assignment or place in line just doesn't matter.

---

A computer monitor displays active aircraft traffic over the United States at the Air Traffic Control System Command Center on Friday in Warrenton, Va. The facility balances air traffic demand with system capacity in the National Airspace System and is part of the Federal Aviation Administration air traffic control system. (Pete Marovich for The Washington Post)
