

17 AAC 45 is amended to add a new section to read:

17 AAC 45.035. After hours requests for airport services.

(a) To request that the department provide services at an airport outside of that airport's normal operating hours, an air carrier shall submit the request to the airport manager or designee, in writing on a form supplied by the department, at least 24 hours prior to the requested service. A request will only be granted if personnel and resources are available. The department may grant a request made with less than 24 hours' notice, however, late notice may hinder the department's ability to provide service.

(b) Runway inspections requested in accordance with subsection (a) will include an updated condition report and will be billed at \$1,000. If the operation exceeds four hours, an additional charge of \$250 per hour will be charged for any additional hours.

(c) Snow and ice removal requested in accordance with subsection (a) will be billed at an hourly rate of \$1,000.

(d) If an air carrier amends a landing permit which delays its operation 15 minutes or more past the airport's normal operating hours, a charge of \$250 per hour will be billed to the air carrier.

(e) Requests for service in accordance with subsection (a) due to an extra section or non-scheduled flight that will require Aircraft Rescue and Fire Fighting outside of an airport's normal operating hours will be billed at \$1,000. If the operation exceeds four hours, an additional charge of \$250 per hour will be charged for any additional hours.

(f) If two or more air carriers request services under this section that overlap for some period of time at the same airport, the department will make reasonable efforts to offer cost sharing.

(g) The following are exempt from the charges in (b) - (e) of this section: aircraft operating outside of an airport's normal operating hours that do not require services from the department; aircraft owned or operated by the state or the United States government; and emergency medical transportation flights.
